

Getting to know me – Mr Wirth

Things I like/hobbies I have:

I love music. I've played in bands since I was young and really enjoy going to watch live music.

I love being outdoors.

My favourite sport is rugby.

Describe yourself in three words:

Passionate

Energetic

Thoughtful

Mr Wirth is our head teacher.

I would like to be better at:

Climbing. I started recently but then I injured my leg playing rugby and had to stop. I'm itching to get back on the wall!

If you could have one super power, what would it be?

Selective ghostability. You can fly, go invisible and go through walls, but you don't have to be a ghost all the time. Is that cheating?!

Something I would like for my future:

For my boys Euan and Jude to grow up happily and healthily. I'd love them to find things they're passionate about and to pursue those as they get older.

My favourite book:

The *His Dark Materials* Trilogy by Phillip Pullman and *Holes* by Louis Sachar.

My favourite film:

Bill and Ted's Bogus Journey

My favourite place:

My ideal place is a lake, surrounded by steep, forested mountains.

My favourite song:

It's impossible to choose! I'm listening to "You Are The Best Thing" by Ray LaMontagne a lot at the moment. It always puts a smile on my face!

What my best days look like:

Lots of time outdoors.

What is the best topic you've done in school?

It's too hard to choose between the topics all the classes have done at Greenlands! My favourite as a teacher was one called "The Benefit Campaign". We recorded a song and it got into the UK Rock Top 40!
