

Committees supporting the work of the Governing Body

We have a number of committees, made up of different Governors, which look at some issues in detail. The committees report back to the full Governing Body and can make recommendations to them.

At Anston Greenlands, we have 2 main committees – **Finance, Staffing and Buildings** (including Health and Safety), and **Curriculum, Data and Safeguarding**. Separate Governor committees look after staff pay and appraisal. These arrangements are the same as those of our partner schools at Redscope and Thorpe Hesley.

Governors with a leading role

Known as “Lead Governor”, some of our governors take a lead role on behalf of the governing body. This can be because they have particular skills or experience, because they have an interest in particular subject or because they want to develop expertise. Our Lead Governors are:

Sally Baker	Health and Safety; Foundation Stage; Governor training and development
Steph Parmenter	Pupil Premium and Pupil Progress
Ian Scotson	PE and Sports Premium
Kate Storer	Special Educational Needs (SEND)
Alex Wirth	Nominated Safeguarding Officer
