Friday 19 th	Last day – 2pm finish – summer holiday follows

Welcome Back!

A warm welcome back to school to all of our children and families! I hope you've all had a fantastic summer and are feeling rested and refreshed. For those who are new to our school, welcome to the family! We're delighted to have you as a part of our school community. Please do remember, as always, that we operate a completely open door policy in school, so we'd love to see you if you have any questions, concerns or comments. You're always very welcome in school, or if that's not convenient we can be contacted over the phone on 01909 550557, or by email on office@greenlandsprimary.org.

Lend a Helping Hand!

Are you interested in helping out in school but don't know where to start? Please let us know! We are ALWAYS on the lookout for people who are able to volunteer some time. Please speak to your child's class teacher if you think you might be able to help!

Dates

As you can see, we've attempted to give you a much longer list of dates this year, to allow forward planning. Please note that some of these are provisional dates. This year, we've placed INSET days next to two of the half term holidays, to hopefully allow for slightly cheaper holiday bookings for families; I can confirm that these dates will not change.

Scaffolding

Unless the summer really did take its toll, you'll have noticed the scaffolding all around school this week! This is due to work being carried out on the roof, and although it looks a little unsightly, will have no impact on the day-to-day running of school. We're expecting this work to take the majority of this half term. Thank you for your understanding while we make these necessary improvements to the building.
