Caring

Mrs Adams is our Y3 teacher.

Something I would like for my future:

To be able to travel far and wide to places I've never visited.

For my daughters to be successful and happy.

I would like to be better at:

Running, so I could keep up with other members of staff 😊

What my best days look like:

When everyone is kind, friendly and considerate to each other, wanting to help and not leaving anybody out.

Children having fun and learning at the same time!

What is the best topic you've done in school?

Harry Potter (no surprise there).

If you could have one super power, what would it be?

To disappear/appear.
