

Getting to know me – Mrs Forbes

Things I like/hobbies I have:

I love walking my dog, Ralph. You will often see me in Anston Stones having a bit of an adventure with him.

I love foreign languages and can speak a few. I hope to teach you some French this year.

Describe yourself in three words:

Caring

Bubbly

Hard-working

Mrs Forbes is one of our Y1 teachers.

I would like to be better at:

Trying new foods. I need to be less fussy!

If you could have one super power, what would it be?

I wish I could fly – I could travel around the world and see more places.

What my best days look like:

Get up early with the sun shining and go for a long dog walk. Have a coffee and catch up with friends, then go shopping – maybe for a new bag! Eat a lovely meal with my family (probably pizza) and then snuggle down with a book! I love reading anything and everything.

My favourite book:

The Enchanted Wood by Enid Blyton

My favourite film:

Shrek

My favourite place:

Anywhere in France!

My favourite song:

Spring Chicken!

Something I would like for my future:

I would love to walk the 3 Peaks; I had planned to do this last year and it had to be postponed.

What is the best topic you've done in school?

La Bella Italia – we designed and created our own crazy golf course based on famous Italian landmarks. It was great fun!
