Wednesday 20 th	FS2 Pirate Graduation Last day – 2pm finish (Summer holiday follows)
	<i>First day back for children will be Monday 5th September</i>

Joseph

I'm lucky in my job, because I often get to take part in events that make me feel proud of our children and our school community. However, I must say that last night was one of the most memorable evenings I've ever had at Greenlands. After watching four different weather forecasts all day, we decided to go for it and the children took to the stage at 6pm. They were absolutely magnificent and wowed us all! About halfway through, though, the rain began... Luckily, we'd set the hall up just in case, so we were able to move the performance indoors!

I was blown away by the adaptability of our children (as well as our families and staff!) and the result was a simply brilliant evening of entertainment. I'm sure the children will always remember the night they started Joseph outside and finished it inside; I know that I will! Well done everybody – absolutely fantastic.

Sports Day

Round 2 of weather watch... Typically, after waiting until the evening before to make the decision, the weather changed at the last minute! Sincere apologies to anyone who has had to alter plans; we wanted to make the decision the night before to help with work/childcare arrangements etc., but unfortunately this time things didn't work in our favour. We'll be having another go **next Thursday (7th July)**, when hopefully we'll have clear skies (again!) and the grass will be a bit drier. We look forward to seeing you then!

Our Environment Hexagons

Earlier this year, every child at Greenlands, Thorpe Hesley and Redscope decorated a small wooden hexagon as part of a joint environmental project. This term, the Arts Champions from all three schools got together to jumble up all of the children's hexagons and put them together as an art installation. They ended up with three beautiful pieces of shared artwork, one of which is now on display at each school. Here's ours – I'm sure you'll agree it looks ace!

Dinner Money Pricing for Next Year

A reminder that the cost of school dinners will be going up by 10p per day from September, following a rise in cost from the School Meals Service. This will bring the cost for a lunch to £2.40 per day.

Contacting After School Club

We now have a secondary contact number for getting in touch with After School Club between 3pm and 5.45pm – 07546349064. Please add this to your contacts in case you need it. Thank you!

Open Afternoon

On Friday 14th, we will be holding an open afternoon from 2.15pm. This is an optional opportunity to come into school to see your child's work / speak to their teacher etc. You are also welcome to visit your child's next classroom and meet their new teacher should you wish to. Remember that you can also find out more about the adults in school by visiting the "Staff" page on the school website.

Uniform Appeal

As we move towards the end of the year, please consider donating any clean, good quality uniform that your child has outgrown. This will allow us to offer it to other families second hand. We can sell anything with a school logo. Thank you!

The final countdown...

It's hard to believe that we've only got 2 and a half weeks left at school, but here we are! I hope that I'll see most of you at our various end-of-term events before we break up for the holidays, but in case I miss anyone, I'd just like to say a huge thank you for all of your support this year. We are constantly aware that we are very lucky to be surrounded by this brilliant school community; it makes such a difference to the feel of our school and the experience our children have. Thank you, and have a wonderful summer.

INSET Dates for Next Year

A reminder that next year's INSET Days are:

Thursday 1st September 2022

Friday 2nd September 2022 (*children return to school on Monday 5th September*)

Friday 21st October 2022

Thursday 4th May 2023

Monday 5th June 2023
